

Indigenous Food and Agriculture Initiative

Putting Tribal Sovereignty in Food Sovereignty

www.indigenousfoodandag.com

IFAI's Work:

Provides Strategic Analysis Serving Tribal Governments and Producers

Supports Cultural Traditions in Tribal Food Systems

Supports Tribal Business and Economic Development Through Resources and One-on-One Consultation

Invests in the Next Generation of Native Agriculturalists and Leaders

Offers Subject Matter Expertise in Indian Country Food and Agriculture Law & Policy

Extends Training Opportunities for Tribal Producers, Tribes, and Tribal Citizens.
